MEMORANDUM

DATE: March 11, 2009

TO: Intermodal Transportation Technical Committee (ITTC)

FROM: Meredith Williams, Assistant Planner
Transportation Planning & Data Services

SUBJECT: Authorization to Amend the Rideshare Matching Software and Services Contract

INFORMATION:

In November, the ITPC authorized the Executive Director to execute a contract up to \$44,700 with Ecology and Environment, Inc. for software and services for the Regional Rideshare Program. Since then, the contract has been revised and now amounts to \$48,900. This additional \$4,200 pays for the incorporation of a custom web design from Third Degree Advertising, the contracted advertising agency. The overall project cost of \$48,900 will be paid for using Congestion Mitigation and Air Quality (CMAQ) funds.

ACTION REQUESTED:

Consider recommending that the ITPC authorize the Executive Director to amend the contract with Ecology and Environment, Inc. to allow for software and services not exceeding \$48,900 for the Regional Rideshare Program.
