PUBLIC PARTICIPATION AND INVOLVEMENT PERMIT REQUIREMENTS

Develop and implement a plan to encourage public involvement and participation in the development and implementation of the SWMP.

Develop and implement a process by which public comments on the SWMP are received and reviewed by the person(s) responsible for the SWMP.

Make the SWMP and NOI available to the public.

You must comply with State and local public notice requirements when implementing your public involvement/participation program.

Public Notice and Comments Response

RATIONALE

- You must document your decision process for the development of a storm water public involvement and participation program.
- Your rationale must address your overall public participation and involvement program, and the individual BMPs and measurable goals.
- List the names of the responsible persons for your program.

RATIONALE

--continued--

THE RATIONALE MUST INCLUDE THE FOLLOWING INFORMATION, AT A MINIMUM:

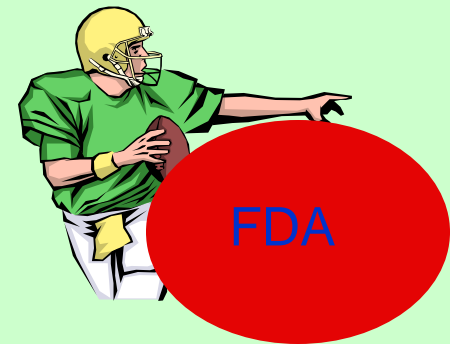

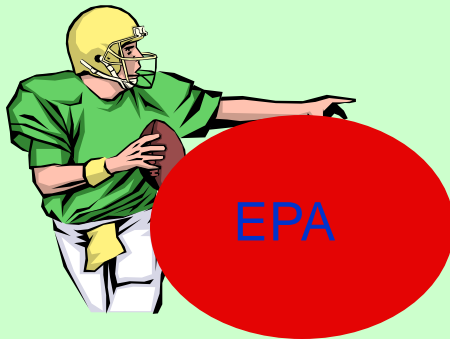

- How you will receive and review public comments on your SWMP and document responses to issues raised;

- How you will involve the public in the development and submittal of your NOI and storm water management program. How the public can access your NOI and SWMP;
- Your plan to actively involve the public in the development and implementation of your program;

RATIONALE

--continued--

- The target audiences for your public involvement program, including a description of the types of ethnic and economic groups engaged. You are encouraged to actively involve all potentially affected stakeholder groups, including commercial and industrial businesses, trade associations, environmental groups, homeowners associations, and educational organizations, among others, to ensure a balanced consideration all viewpoints.;
