Terms and Conditions

Association of Central Oklahoma Governments (ACOG) Knowzone Alert Program offers their customers mobile access to their alert notifications over SMS. Enrollment requires providing a mobile phone number. Visit www.acogok.org/ozone to opt in to 50597. The mobile phone number's verification is done in the following ways:

- Subscriber may initiate opt-in from a web interface.

Message & data rates may apply. Customers will be allowed to opt out of this program at any time. Msg frequency varies.

Alerts sent via SMS may not be delivered to you if your phone is not in range of a transmission site, or if sufficient network capacity is not available at a particular time. Even within a coverage area, factors beyond the control of your wireless carrier may interfere with message delivery, including the customer's equipment, terrain, proximity to buildings, foliage, and weather. You acknowledge that urgent alerts may not be timely received and that your wireless carrier does not guarantee that alerts will be delivered. Carriers are not responsible for the late delivery of messages.

For questions, you can contact us at epollard@acogok.org, or at any time from your mobile phone, text "HELP" to 50597. We can answer any questions you have about the program.

To stop the messages coming to your phone, you can opt out of the program via SMS. Just text the word "STOP" to 50597. You'll receive a one-time opt-out confirmation text message. After that, you will receive no future messages.

By participating in the ACOG Knowzone Alerts program, you are agreeing to the terms and conditions presented here. To view Privacy Policy, [click here](#).
