A. CALL TO ORDER

John Sharp called the meeting to order at 9:07 a.m. He introduced himself and entertained a virtual roll call.

B. APPROVAL OF THE APRIL 8, 2020 MINUTES

Max Harris moved to approve the April 8, 2020 minutes. Jan Fees seconded the motion. The motion carried unanimously.

C. ITEMS FOR INFORMATION ONLY

1. Update to the Regional Active Transportation Plan

Jordan Evans said the Active Transportation Plan for the region has been updated. Mr. Evans highlighted the information provided in the memorandum on the four updated sections. He asked for feedback and recommendations from the committee. For more detailed information on the updated sections, please see links:

Section II. Introduction: <http://www.acogok.org/wp-content/uploads/2020/06/Section-II.-Introduction.pdf>

Section III. Existing Conditions: <http://www.acogok.org/wp-content/uploads/2020/06/Section-III.-Existing-Conditions.pdf>

Appendix B. Bicycle and Pedestrian Counts: <http://www.acogok.org/wp-content/uploads/2020/06/Appendix-B.-Bike-and-Ped-Count.pdf>

Appendix C. Tree Canopy: <http://www.acogok.org/wp-content/uploads/2020/06/Appendix-C.-Tree-Canopy.pdf>

2. 2020 Bike Month Recap

Mr. Evans highlighted the information provided in the agenda memorandum on Bike Month and the areawide Bicycle Scavenger Hunt. He gave an overview of the campaign on ACOG's Social Media platforms. Jan Fees with Edmond said the Planning Department staff went out and participated in the Scavenger Hunt and they really enjoyed it. Mr. Evans said ACOG is planning to do the Scavenger Hunt again next year. The presentation covering the activities of Bike Month in Central Oklahoma can be viewed here: <http://www.acogok.org/wp-content/uploads/2020/06/2020-Bike-Month-Presentation.pdf>

Other events going on outside of ACOG included Edmond's Bike Month Proclamation on May 11 and Yukon's multi-use trail ribbon cutting on May 19. The Yukon trail is about two miles long and connects to Lake Overholser. Mr. Evans said May 20 was the Ride of Silence. There was a dedication at 6:30 p.m. in remembrance of those killed in bike related crashes.

3. Bicycle and Pedestrian Safety Campaign Funding

Jordan Evans said ACOG and Oklahoma City received a grant for \$75,000 each through the Oklahoma Highway Safety Office, for a combined \$150,000 to update the "Watch for Me" bicycle and pedestrian safety campaign. It is a federal grant and the campaign is funded for FFY 2021, beginning October 1, 2020 and ending September 30, 2021. Mr. Evans said ACOG staff will be requesting recommendations and feedback from BPAC members throughout the process and will provide updates to the committee about the program.

4. Status of Transportation Alternatives Program (TAP) and Transportation Enhancement (TE) Projects in the OCARTS Transportation Management Area (TMA)

Jordan Evans said the agenda lists the current Transportation Alternative Program (TAP) and Transportation Enhancement (TE) Projects for FFY 2020 and 2021. Mr. Evans presented a table showing the TAP and TE projects brought forward for FFY 2020 and 2021, of the FFY 2020-2023 TIP. The yellow boxes in the table depict updates since the previous month. Brandon Sims with ODOT said there is a newer version that he recently sent to Hayden Harrison with ACOG.

D. NEW BUSINESS

Jordan Evans with ACOG said the National Bicycle and Pedestrian Documentation Project, a project through the transportation engineers' professional group, has removed their website and is now offline. Mr. Evans said he believes it is due to ECO-Counters being successful in getting more accurate counts than manual counts. Mr. Evans said it is still important to conduct these counts. If cities do not have Eco-Counters or other automatic counters, the manual counts are still useful. ACOG will be collecting this information; it just will not be sent to that national organization.

Bill Elliott with Bike Oklahoma said the Bike Summit Board has decided to not have a bike summit this year because of COVID-19. He said instead they are concentrating on developing some training and safety videos and distributing the information throughout the network. Mr. Elliott said the State of Illinois bike organization has developed software that distributes and authors bicycle training and the training will share information useful for drivers and bicyclists. He said they have offered their software for a fee to other states, and Bike Oklahoma is looking to make it available to some of the local bike clubs.

Jan Fees with Edmond said there is a group in Edmond called Cycle 66 that is working on a celebration for Route 66's 100-year anniversary, which will be in 2026. Ms. Fees said they are planning to start a ride this year, on November 8, and continue it for the next six years, leading up to the 100-year anniversary of Route 66.

Ms. Fees said Representative Mike Osborn has been tasked with this ride from the Lieutenant Governor; it will start and end in Edmond.

E. ADJOURN

There being no further business, John Sharp adjourned the meeting at 10:08 a.m.

PEDESTRIAN AND BICYCLE COMPOSITE INDEXES

DATE:

AUGUST 12, 2020

FROM:

JORDAN EVANS

Associate Planner - Multimodal
Transportation Planning Services

INFORMATION:

ACOG staff has drafted a GIS-based analysis to determine priority areas for pedestrian and bicycle improvements in the OCARTS region. These maps indicate areas that generate bike and pedestrian activity, and areas that deter this activity. Areas that are both high generators and high deterrents are considered the highest priority for investment. These maps will be included in the Regional Active Transportation Plan and used for other planning activities.

A presentation will be given to the committee detailing the analysis. The presentation can be viewed here: http://www.acogok.org/wp-content/uploads/2020/08/PCI-BCI-Presentation-2020_update.pdf

ELECTRIC-ASSISTED BICYCLE POLICIES

Transportation Planning Services

INFORMATION:

Electric-assisted bicycles (EABs) are growing in popularity due to the increased access to cycling that they provide. The pedal assist offered by EABs lessens the physical exertion required from a traditional bicycle, making it a more viable transportation mode or recreational activity for users of all ages and physical abilities.

A presentation will be given to the committee covering current Oklahoma policies surrounding electric-assisted bicycles. The presentation can be viewed here:

INFORMATION:

ACOG staff has centralized regional bicycle and pedestrian maps, data, and documents into one location. The resource center will make finding resources from ACOG and member communities easier and quicker. The resource center is live and can be found on ACOG's website at : <https://bicycle-and-pedestrian-resource-center-acog.hub.arcgis.com/>

BIKE TO WORK WEEK 2020

DATE:

AUGUST 12, 2020

FROM:

JORDAN EVANS

Associate Planner - Multimodal
Transportation Planning Services

INFORMATION:

Every year the League of American Bicyclists designates May as Bike Month. Due to COVID-19, many activities and events had to be cancelled or postponed, including Bike to Work Week. Because of this, Bike to Work Week 2020 will take place September 21-27, 2020. The League has designated Bike to Work Day to be Tuesday, September 22. However, ACOG staff recommends Central Oklahoma Bike to Work Day take place **Friday, September 25**, since it is more of a casual day and easier for people to participate.

As always, ACOG staff is available to help coordinate and promote area Bike to Work Day activities. If your community is planning to host an event, or if you would like more information, please contact Jordan Evans at jevans@acogok.org.

BICYCLE AND PEDESTRIAN SAFETY CAMPAIGN BUDGET PROPOSAL

DATE:

AUGUST 12, 2020

FROM:

JORDAN EVANS

Associate Planner - Multimodal
Transportation Planning Services

INFORMATION:

ACOG and the City of Oklahoma City have been awarded \$75,000 each from the Oklahoma Highway Safety Office (OHSO) to update the “Watch for Me” bicycle and pedestrian safety campaign. ACOG and Oklahoma City will work together to develop and promote this program region-wide. The campaign will be funded for FFY 2021, beginning October 2020 and ending September 2021.

Attached is the proposed budget as sent to OHSO. Staff are currently waiting for confirmation that the budget satisfies the grant requirements.
