BICYCLE

WALK

ENGINE IDLING

- Limit engine idling, avoid congested roadways and drive-thrus
- Delay errands and reduce vehicle trips

CONSERVE ENERGY

- Conserve electricity and set your air conditioner to a higher temperature
- Pre-cool your home during non-peak hours

OUTDOOR ACTIVITIES

- Delay gas-powered lawn mowing and landscape maintenance
- Avoid outdoor burning
- Avoid using higher VOC household chemicals and paints

REFUELING

- Refuel vehicles after dusk

Here's what you can do on Ozone Alert Days to help all Central Oklahomans breathe easier.
