NATIONAL PLANNING FACTORS

• Federal planning priorities:

  - Protect and enhance the environment, promote energy conservation, improve the quality of life, and promote consistency between transportation improvements and State and local planned growth and economic development patterns
  
  - Enhance the integration and connectivity of the transportation system, across and between modes, people and freight
  
  - Promote efficient system management and operation
  
  - Emphasize the preservation of the existing transportation system
  
  - Improve the resiliency and reliability of the transportation system and reduce or mitigate stormwater impacts of surface transportation (added with FAST Act)
  
  - Enhance travel and tourism (added with FAST Act)
STATEWIDE TRANSPORTATION GOALS

• Oklahoma Department of Transportation (ODOT)

• Long Range Transportation Plan 2020-2045:
  - Safety and Security – Ensure a safe and secure transportation system for all users
  - Infrastructure Preservation – Preserve and maintain the condition of Oklahoma’s multimodal transportation system in a state of good repair through risk-based, data-driven decision-making processes
  - Mobility and Accessibility – Facilitate the movement of people and goods, improve connectivity between regions and activity centers, and increase travel mode choices
  - Economic Vitality – Provide a reliable multimodal transportation system for people and goods that coordinates with land development patterns, strengthens communities, and supports a healthy and competitive Oklahoma economy
