ACOG & WATCH FOR ME OK

The Association of Central Oklahoma Governments (ACOG) is an association of cities, towns, and counties that advocates for regional collaboration. ACOG serves as the Metropolitan Planning Organization (MPO) for the greater Oklahoma City area and manages regional transportation planning, which includes bicycle and pedestrian planning. These facilities provide alternative transportation options and promote healthy lifestyles and supports annual Bike Month festivities. Visit acogok.org for more information.

Watch for Me OK is a public awareness campaign from ACOG and the Oklahoma Highway Safety Office (OHSO). Watch for Me OK seeks to educate the public on the rules of the road and aims to keep residents safe while traveling. The goal of this campaign is to reduce the total number of pedestrian and bicycle crashes and fatalities in Central Oklahoma. Visit watchformeok.org for coloring sheets, bookmarks, videos, and more.
