ACOG TAP GRANT OVERVIEW

Seeks to improve alternative modes of transportation by funding projects such as:

- Bike lanes
- Recreational trails
- Bicycle/pedestrian bridges
- Sidewalks
- Road diets
- Shared micromobility
PREVIOUSLY FUNDED PROJECTS
PALMER LOOP TRAIL – MIDWEST CITY

• 10ft wide recreational trail beginning at Soldier Creek Trail and connecting to SE 29th St
• 1.58 miles long
• Provides safe crossing of SE 15th St
• Provides a link from area neighborhoods to commercial hubs and Tinker Air Force Base
• Received $500,000
CREEK BEND TRAIL – CITY OF EDMOND

- 12ft wide recreational trail connecting Spring Creek Trail with Coltrane Rd
- 1.20 miles long
- Provides a missing connection in the city’s trail system, eventually linking Mitch Park to Arcadia Lake
- Received $600,000
GARTH BROOKS TRAIL - YUKON

- 10ft wide shared use path along Garth Brooks Ave
- 1 mile long
- Provides a connection from Route 66 to Yukon Middle School, the post office, and retail centers
- Received $600,000
