### **SUBJECT:**

### **REQUESTED CHANGE TO FY 2018 TRANSPORTATION ALTERNATIVES PROGRAM (TAP) PROJECT FUNDING**

### **DATE:**

APRIL 12, 2023

### **FROM:**

**HANNAH NOLEN, AICP**

Program Coordinator

Transportation Planning Services

### **INFORMATION:**

In August 2017, ACOG awarded \$8.2 million in Transportation Alternative Program (TAP) funds to 20 projects throughout the Oklahoma City Urbanized area. Two back-up projects were also selected in case additional funds became available.

The City of Del City was awarded \$240,000 for the Kerr/Vickie Sidewalk project. Due to changing priorities with the City and very little progress being made on the project, Del City has notified ACOG that they would like to decline their project award and allow the funds to be applied to another project.

ACOG would like to apply the funds to the City of Norman's Flood Avenue-Tecumseh Road Multimodal Path from Robinson Street to 24<sup>th</sup> Avenue NW project. This was the first backup project from the 2017 approved project listing. The City of Norman requested and received \$146,484 in extra TAP funds, as approved by the Bicycle-Pedestrian Advisory Committee (which is now called the Active Transportation Advisory Committee) in February 2018. At that time, the City also requested any additional funds that would become available in the future be applied to this project.

The total project cost is estimated at \$2,161,208, and, with the additional \$240,000, this would bring the TAP funding to \$386,484.

As these TAP funds are from the previous infrastructure bill (FFY 2015-2020), funds will sunset, and projects must be let by September 30, 2023. Due to this, ACOG consulted with ODOT Local Governments Division and were informed that the Flood Avenue project is on track to be let by that deadline and they had no concerns with moving the \$240,000 in funds to this project.

### **ACTION REQUESTED:**

Consider recommending that the ACOG MPO Policy Committee approve moving \$240,000 in additional funds to the City of Norman's Flood Avenue Project.

### **DATE:**

APRIL 12, 2023

### **FROM:**

**JOHN SHARP**

### **INFORMATION:**

ODOT held their TAP Call for Projects from July 1 to November 30, 2022. The funding available was for three years - FY 2022, FY 2023, and FY 2024.

ODOT received 135 project applications. After these projects were reviewed, 61 projects were recommended for funding to the Oklahoma Transportation Commission on April 3. These projects were all selected for funding at the Commission meeting. The attached page lists the awarded ODOT TAP projects in the ACOG MPO area.
