### SUBJECT:

### FY 2025 TRANSPORTATION ALTERNATIVES PROGRAM (TAP) CALL FOR PROJECTS

### DATE:

JUNE 12, 2024

### FROM:

**HANNAH NOLEN, AICP**

Mobility & Planning Manager

Transportation Planning Services

### INFORMATION:

On November 15, 2021, the Federal Infrastructure Investment and Jobs Act (IIJA) was signed into law. This bill increased the amount of Transportation Alternatives Program (TAP) funding for states and Metropolitan Planning Organizations (MPOs) by nearly 70 percent over a 5-year period.

The ACOG TAP intends to provide funding for projects that advance non-motorized transportation opportunities in the Central Oklahoma region. This includes projects such as pedestrian and bicycle facilities, recreational trails, safe routes to school projects, and more. TAP continues to build upon the legacy of the Transportation Enhancements and Safe Routes to Schools programs by providing funding opportunities for local projects that support additional transportation options, strengthen local economies, improve quality of life, protect the natural environment, and enhance transportation infrastructure.

A Call for Projects (CFP) was last held in FY 2023 with \$7.5 million available for projects in the ACOG Adjusted Urbanized Area (UZA). The CFP was held from September 1, 2022, through October 31, 2022. As a result, nine projects were awarded at a total of \$7,487,454. The remaining \$12,546 in funding from that call, will be added to the 3 years of funding available for the FY 2025 ACOG TAP CFP.

The FY 2025 CFP will have a total of approximately **\$7.5 million available** for projects in the [ACOG Adjusted Urbanized Area](#). Eligible organizations may not request more than **\$1.5 million** or less than **\$20,000** in federal funds per project. There is no limit on overall project size. No single entity can receive more than 56 percent of the total available funding for TAP until all entities' projects have been considered. Eligible TAP projects will be funded at a ratio of **80 percent federal funds** and **20 percent local funds** for eligible costs.

**The TAP application cycle will open on July 1, 2024, and closes at 4 p.m., Tuesday, September 3, 2024.**

The ACOG TAP Application Guidebook can be found here: <https://www.acogok.org/wp-content/uploads/2024/06/ACOG-TAP-Application-Guidebook.pdf>

Additional materials can be found on the TAP Dashboard:
