DECEMBER 2024

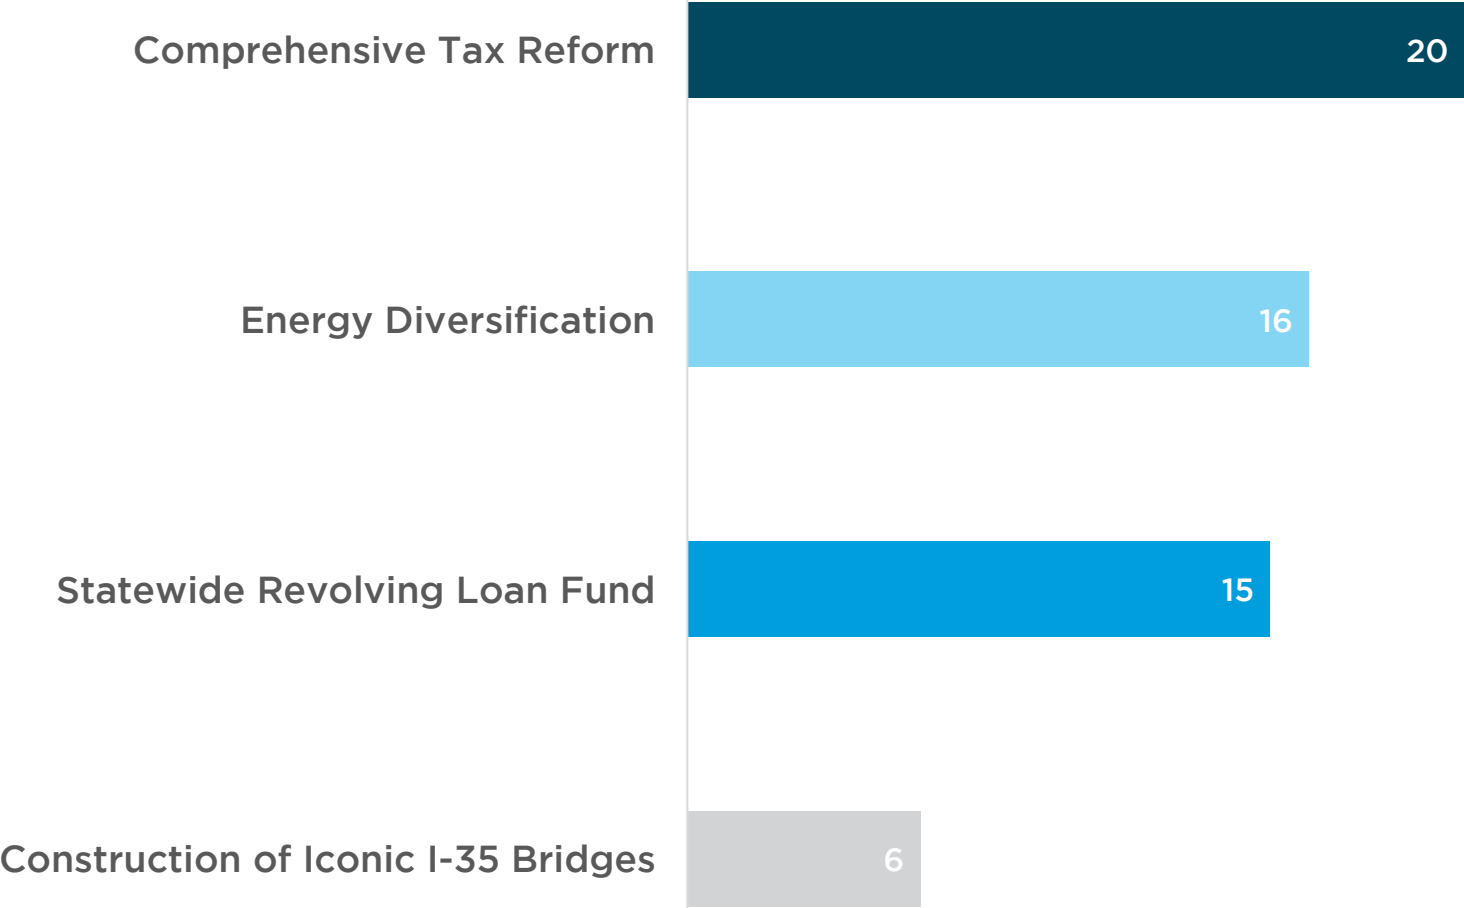

In 2018, ACOG held its first Board of Directors Legislative Forum. This brainstorming session, along with a follow-up meeting and concluding an online ranking survey, helped shape the ACOG Legislative Priorities. These priorities were then presented to Central Oklahoma Legislators at the first ACOG Legislative Power Brunch in January 2019.

On Thursday, October 3, ACOG staff conducted a State Legislative Priorities Open House at the ACOG office. This event provided an opportunity for Board members, local government staff, and our regional partners to inform ACOG about issues their respective communities are facing that could require legislative action or funding.

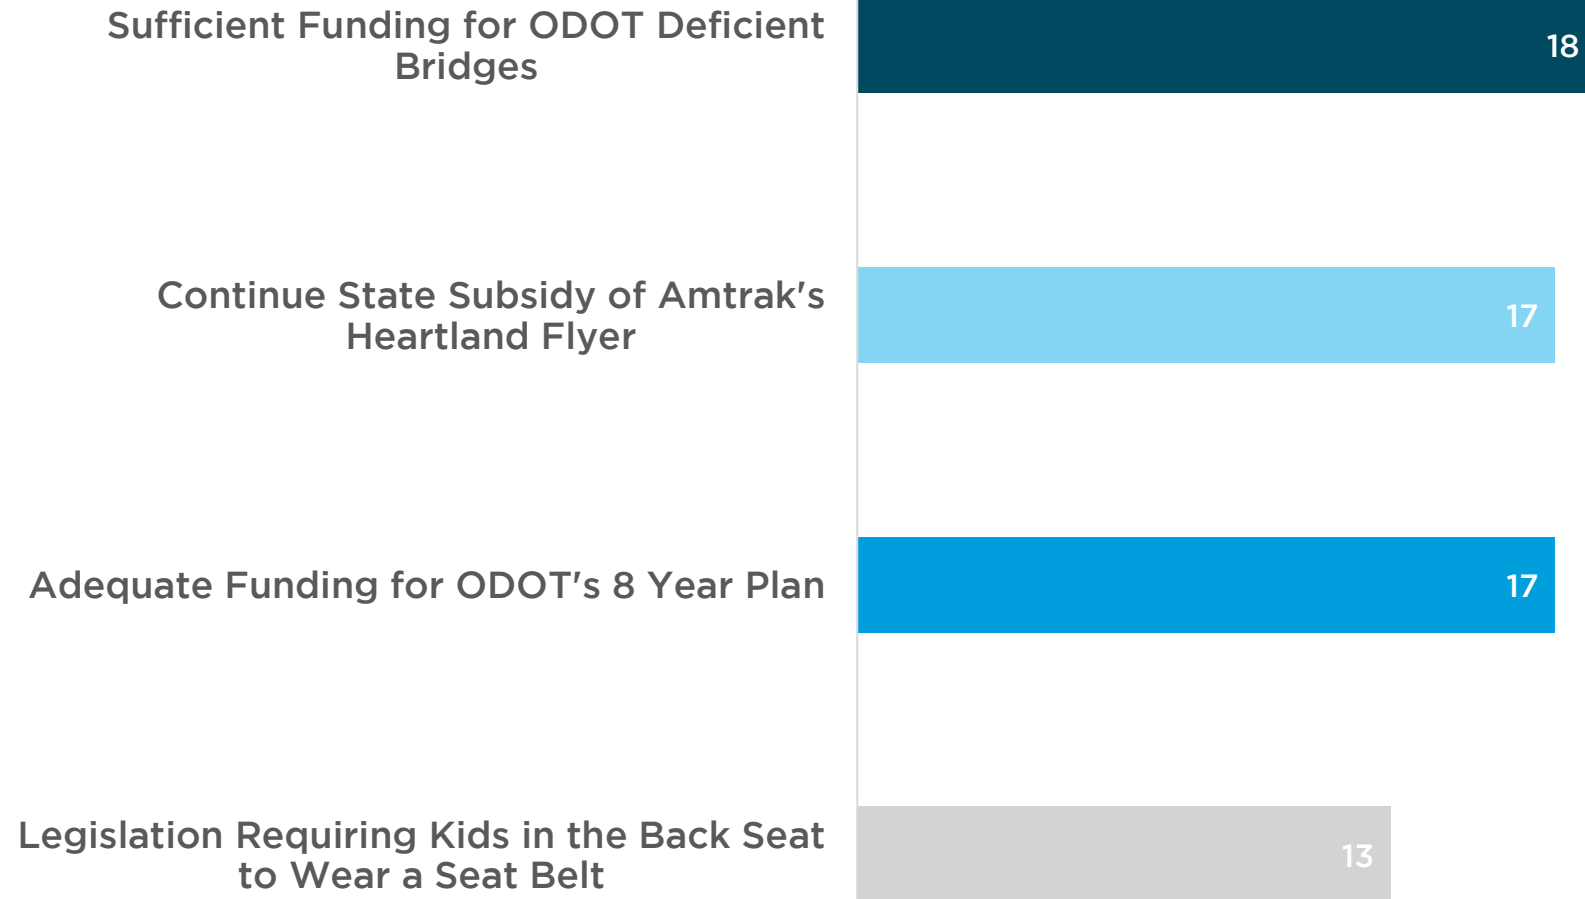

At the November 14 Board meeting, information and the priorities were compiled and transformed into a survey. The survey was conducted during the meeting via cell phone or by paper.

The results of the survey will now be presented along with the next steps for the upcoming Legislative session.
