There were twenty-six attendees at the first regional ITS meeting at ACOG this month. It was a great opportunity to share information about current systems and where we might be headed in the future. ACOG will have a follow-up meeting in November and quarterly meetings moving forward so we can coordinate on the regional network. ODOT, Edmond, Norman, Oklahoma City, and transit agencies were in attendance for this meeting.

Congestion Management Process (CMP)

Olsson shared the first draft of the congestion corridors that we have in the metro. They provided ACOG with a.m. peak and p.m. peak traffic flows that measured congestion on the road network.

NATIONAL PEDESTRIAN SAFETY MONTH

DATE:

OCTOBER 30, 2025

FROM:

ETHAN MAZZIO

Transportation Planner III - Mobility

INFORMATION:

October is National Pedestrian Safety Awareness Month, as designated by the Federal Highway Administration (FHWA) and the National Highway Traffic Safety Administration (NHTSA). ACOG is coordinating the following initiatives and events to promote pedestrian safety awareness for the month of October.

A Week Without Driving served as a kickoff to National Pedestrian Safety Awareness Month, taking place Monday, September 29 through Sunday, October 5, 2025. Coordinated by America Walks and the Disability Rights Institute, A Week Without Driving is a campaign designed to raise public awareness of the nearly 1 in 3 Americans that, whether due to income, age, or accessibility, are unable to drive a private vehicle. Beginning Monday, September 29, communities, elected officials, employers, advocates, and those who have the option to drive had the opportunity to experience firsthand the barriers and challenges that nondrivers face securing housing, accessing jobs, and obtaining goods and services.

For more information, visit: <https://weekwithoutdriving.org/>

National Walk & Roll to School Day took place Wednesday, October 8, 2025. An initiative of the National Center for Safe Routes to School, National Walk & Roll to School Day imparts crucial safety lessons for all, fosters physical and mental well-being, strengthens connection with the environment, and creates memorable moments with friends, families, and the community. School districts, teachers, parents, students, and communities are welcome to participate in National Walk & Roll to School Day and celebrate any day in October that best fits their schedules.

For more information, visit: <https://www.walkbiketoschool.org/>

Additionally, ACOG staff will participate in several community events throughout Central Oklahoma in October to educate the public and distribute pedestrian and bicycle safety awareness material through Watch for Me OK.

Reach out to Ethan Mazzio at emazzio@acogok.org if your community has an upcoming Watch for Me OK event that ACOG staff should attend.

INFORMATION:

ACOG celebrated National Drive Electric Month (NDEM) from September 12 through October 12, 2025. NDEM is a nationwide campaign to raise awareness of the many benefits of all-electric and plug-in hybrid cars, trucks, motorcycles, and more.

This year's primary ACOG NDEM event was an EV Showcase co-located with the City of Norman's Monarchs in the Park event on Sunday, September 28 from 11:00 a.m. – 4:00 p.m. at Legacy Park.

Nine (9) electric vehicles (makes included Hyundai, Kia, Mercedes-Benz, & Tesla) and one (1) Harley Davidson LiveWire were showcased.

To further highlight electric vehicles, ACOG and the Indian Nations Council of Government (INCOG) have relaunched Drive EV Oklahoma.

Drive EV Oklahoma, formerly the Oklahoma Electric Vehicle Coalition, brings together a diverse alliance of stakeholders—from utilities and local governments to dealerships, fleets, and EV owners—working together to make driving electric easier, more affordable, and more accessible across the state.

CENTRAL OKLAHOMA LONG RANGE TRANSIT PLAN

DATE:

OCTOBER 30, 2025

FROM:

JOHN SHARP
Deputy Director

INFORMATION:

EMBARK, Oklahoma City MAPS4 Office, and ACOG are co-project leaders for the Central Oklahoma Long Range Transit Plan. This is the first major regional comprehensive transit plan since the Fixed Guideway Study was completed in 2005. Work included an evaluation of past studies, current system, workshops, presentations to boards and committees, and public engagement process.

The project is reaching its conclusion as the team has assessed, evaluated, and now recommends a transit vision for the future. This planning effort has produced a draft transit vision that identifies new transit services and modifications to existing transit services to leverage the benefits of high-capacity transit investments over the next 30 years. The regional transit vision will be presented at the October ACOG MPO Policy Committee meeting.

There will be an opportunity for public comments starting October 21 through November 7, 2025. A link to this location for review and comments can be found at the website www.ConnectCentralOk.com
